RE: Invitation for Corporate Sponsor for our 4th Annual Fundraising and Award Dinner

Dear Corporate Sponsors,

Inter-Cultural Social and Education Services, Inc. (ISESI) is a non-profit organization with a mission to disseminate educational information on health care and human services to seniors and their families in the multi-ethnic communities of the San Gabriel Valley. We are a one-stop resource and referral center helping seniors who speak little or no English to receive information so they could access government health benefits.

Since the inception in 2004, we have provided seniors with health care resources and opportunities by partnering with public and private organizations. We collaborated with other organizations to present Medicare Prescription Drug Discount Programs in Southern California. We were invited by University of Southern California School of Social Work to help establish Web Health Education Resources for Elders (W.H.E.R.E), a multi-lingual online resource focusing on outreach for seniors' seeking health information all over the world. We continuously hold "Gateway to Senior Services Fair" that produces workshops and bring awareness by bringing government agencies and private organizations under one roof to suffice the needs and concerns of the seniors.

To continue our effort to serve the seniors, we will host our 4th Annual Fundraising and Award Dinner on October 26, 2007 from 6:30 to 9 pm at Ocean Star Seafood Restaurant in Monterey Park. The theme of the dinner is "Celebrating the Greatness of Diversity". We hope this event will consolidate greater community supports to our mission of serving the non-English speaking seniors.

For additional information of this event, our organization and accomplishments, please visit our website at www.isesila.org.

On behalf of our members and supporters, we respectfully invite your organization to participate as a sponsor of this Fundraising and Award Event. The levels of sponsorship are outlined in the sponsor package. Participating as a sponsor will also provide you the following:

- Marketing of your organization and services to the residents in San Gabriel Valley area, and elected officials in attendance
- Honorable mention on ISESI website which is on the first page of Google and Yahoo's ISESI search

Thank you in advance for your consideration. Please indicate the level at which you would like to participate and return the enclosed form to us no later than October 1, 2007 for inclusion in our program booklet.
