

Inter-Cultural Social and Education Services, Inc.

Message from the Event Chair

July 26, 2007

Dear Friends,

Inter-Cultural Social and Education Services, Inc. (ISESI) is a 501©3 non-profit organization whose mission is to disseminate educational information on health and human services to seniors and their families in the multi-ethnic communities of the San Gabriel Valley. We are a one-stop resource and referral center. We believe there is a great need for the seniors and their families who speak little or no English to receive such information so they could help themselves make the best decisions regarding government health and benefit issues.

Since the inception in 2004, we have provided seniors with health care resources and opportunities by partnering with public and private organizations. We collaborated with other organizations, including Beverly Hospital, Herald Community Center and National Heritage Insurance Company to present Medicare Prescription Drug Discount Programs throughout the San Gabriel Valley communities. We assisted University of Southern California School of Social Work to establish Web Health Education Resources for Elders (W.H.E.R.E), a multi-lingual online resource focusing on outreach to seniors' seeking health information all over the world. We continuously hold "Gateway to Senior Services Fair" that produces workshops and awareness by bringing government and private agencies under one roof to suffice the needs and concerns of the seniors.

To continue our effort to serve the seniors, we will host our 4th Annual Fundraising and Award Dinner on October 26, 2007 from 6:30 to 9 pm at Ocean Star Seafood Restaurant in Monterey Park. The theme of the dinner is "Celebrating the Greatness of Diversity". We hope this event will consolidate greater community supports to our mission of serving the non-English speaking seniors.

On behalf of our members and supporters, we invite you to participate in this dinner event. For additional information about the event, our organization and accomplishment, please visit our website at www.isesila.org and contact me at (626) 484-6700.

Sincerely,

Mike Chavez
Event Chair
