Immediate Press Release

April 2, 2007

Inter-Cultural Social and Education Services, Inc. (ISESI) is presenting a 2nd Annual Gateway to Senior Services Fair at Monterey Park Langley Senior Center on June 23, 2007. The Fair is for non-English speaking seniors and their families in the multi-ethnic San Gabriel Valley area of Los Angeles.

Various government agencies and private health care organizations will be present to offer information to participants and answer questions about available health care and social services to seniors in the area. Participants will have an opportunity to speak one-on-one with representatives from these service providers and to learn more about other available resources.

ISESI is a non-profit, one-stop resource and referral organization. Its mission is to disseminate culturally and linguistically appropriate educational information on health and social services to the seniors of multi-ethnic communities in San Gabriel Valley area.
