

Inter-Cultural Social and Education Services, Inc.

April 23, 2007

Dear Friends,

We, at Inter-Cultural Social and Education Services, Inc, welcome you, the seniors, and your families to our 2nd Gateway to Senior Services Fair.

In 2005 we had the first Gateway to Senior Services Fair that proved to be a tremendous success. Over 800 people participated in the event, in which participants not only had one-on-one interactions with health and social services providers, but also learned about topics like Alzheimer's Diseases and Medicare Scam and Fraud.

This year, our 2nd Gateway to Senior Services Fair will provide more avenues for our non-English speaking seniors to enable them to access resources for pertinent information such as insight into Medi-Cal, transportation options, senior rights and health services.

Our aim is to organize and deliver current information, which is necessary for our culturally diversified seniors of the 21st century, and to provide them with resources and informed choices.

Our goal is to be a linkage between seniors and the providers of such resources that will improve the quality of life of the seniors in the San Gabriel Valley area.

Sincerely,

Annie Tong-Chavez
Event Chair
