Dear Friends at ISESI,

We wish you and ISESI much success with your upcoming fundraising and award event. You have entered your fourth year of services to the community. The work of your organization has helped many seniors who otherwise could not access health care services information because of language barriers.

We recognize and congratulate you on your continued mission to provide these wonderful services. Your work is very noble. The benefits you provide are extremely valuable to the growth and development of our diverse communities.

We would like to thank you for your years of service on our Advisory Council in support of the Angelus Plaza. Especially providing us with your friendship, expertise with culturally sensitive matters, community contacts, and donations utilized as gifts for seniors during the holiday season.

Sincerely,
