October 25, 2007

Dear ISESI Board of Directors:

On behalf of Chinese American Citizens Alliance, Los Angeles Lodge, it is my great pleasure to congratulate you for your annual award and fund-raising banquet taking place on October 26, 2007 at the Ocean Star Seafood Restaurant at Monterey Park, California.

For the past four years, your organization has provided needed programs and services to local Asian American seniors. These diverse programming and services include education, health, medical, social and recreational.

We are delighted that two of honorees this year are our lodge members. Brother Mike Eng and Brother Winston Wu. They have dedicated their lives to service the residents of the Greater San Gabriel Valley, Brother Mike Eng as the State Assembly Member and Brother Winston Wu as youth and senior advocate.

We salute them and salute you for the past accomplishment and wish you the best of luck and continue success!

Best wishes for a successful event,

Philip H. Young
