RE: 2nd Annual Gateway to Senior Services Fair

Dear Dr. Chung,

On behalf of Governor Arnold Schwarzenegger of the Great State of California and all of its 37 million residents, I am pleased to offer my warm greetings on the occasion of your 2nd Annual Gateway to Senior Services Fair at the Monterey Park Langley Senior Center.

California is a bountiful home with concerned citizens dedicated to serving their communities. For over three years, your organization has provided important educational information in a linguistically and culturally sensitive manner on health and social services to the diverse communities of the San Gabriel Valley region of our Golden State.

With tremendous compassion and dedication, you have invested your time and resources to effect positive change and improve the lives of others. Thank you for your generous efforts on behalf of your fellow Californians.

Please accept my best wishes for a memorable event and every continued success.

Sincerely,
