

GOVERNOR ARNOLD SCHWARZENEGGER

October 26, 2007

Inter-Cultural Social and Education Services, Inc.

Greetings to all who have gathered for your fourth annual Gala Celebration and Award Dinner.

I applaud your fantastic efforts to help California's seniors improve their access to health care and other vital social services. The diverse elderly population in the San Gabriel Valley has relied on your one-stop resource and referral center, and many others have benefited from your collaborations with organizations like the University of Southern California's School of Social Work.

Thank you for your exceptional commitment to the well-being of all Californians, and especially our elderly Asian-American residents. By helping those in their golden years navigate through the complexities of multiple health benefit programs, you have provided a great service that has touched many lives.

On behalf of all Californians, please accept my best wishes for a wonderful evening and every continued success.

Sincerely,

A handwritten signature in black ink, reading "Arnold Schwarzenegger".
