Dear Friends,

Thank you for the invitation to join you and the Inter-Cultural Social & Education Services Inc. partners at the 4th Annual Awards Dinner. I would like to extend my sincere congratulations to ISESI on another year of commendable service to the San Gabriel Valley community.

This year's theme of "Celebrating the Greatness of Diversity" was well chosen. As we look around and see the progress and strength of our city, we're proud to recognize that the success is due to the many contributions of our richly diverse community. ISESI plays a significant and integral role specifically in the support of our senior community with the commitment to serve and meet the seniors' health needs and benefit concerns, especially to those who speak little or no English.

I commend and support ISESI's mission to equip our seniors and their families with the information and services needed to continue living healthy and productive lives. We celebrate with you and the community leaders and organization award recipients who are daily making the difference and dedicated to adding greatness to our diverse community

Best wishes for continued success in all your future endeavors.

Sincerely,
