Inter-Cultural Social and Education Services, Inc. (ISESI)
2168 S. Atlantic Blvd., #363
Monterey Park, CA 91754

Dear Friends:

It is a pleasure to recognize Inter-Cultural Social and Education Services, Inc. for the services you provide to multi-ethnic seniors. Seniors are amongst the most vulnerable members of our communities and deserve the resources that ISESI makes available.

ISESI serves as an important organization for the seniors of our community, as well as for their family members. Not only are you educating our multi-ethnic communities about the needs of seniors, but you are also providing a space for other organizations and services to work together. It is important for organizations to partner and cooperate in order to promote visibility and raise awareness of the issues that exist in our communities. Congratulations on your hard work and efforts!

I am very proud to support your efforts to empower mono-lingual seniors through education and resources. Thank you for your dedication to the multi-ethnic seniors of our community and best wishes for a successful fundraising dinner!

Regards,
